

Sermon Outline

Text: John 17:6-19

Title: Drawn to Discipleship

Listen in as Jesus prays.... He is praying for you! He is praying for you to have God's Word, God's cleansing, and God's keeping in your life. If that is what Jesus is praying for — that is what we should be caught up in and all about as a church — Seeing Jesus' prayer come true in each other's lives!!

We are to be about the Words of Christ in each other's lives (v.6-8)

We are to be about the cleansing of Christ (v.6b, 9-10)

We are to be about the claim of the Father and Son on us

As we are about these things...the church cannot be stopped — even by a world that hates us (v.9, 14-16)

Some good texts for follow-up study and meditation this week:

Romans 8:35-39
Zechariah 8:20-23
Revelation 5:9

1 Thessalonians 2:8
Zechariah 7:4-6

Put today together with last week — How does the call to pursue God's glory show up and change the focus of your life? On Sunday? On every other day?

What does it mean to live for God's glory and His impact in the lives of others?

We talk a lot about discipleship in church — but it is an elusive reality. How do we need God's Spirit to work in this church so that God's call to discipleship is truly and powerfully fulfilled here?
